RESPONSE TO ELECTION OF SPECIES

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Election of Species requirement mailed from the Office on
March 8, 2006.

Applicant hereby elects **Species I**. The Examiner has suggested that claims
"encompassing" the elected species (and claims generic thereto) include claims 38-54, 56, 57,
70-85, 93, and 94. Note that the claims "reading on" the elected species would include all claims
except claim 78, which may be read as inconsistent with the elected species. MPEP 809.02(a)
states that a response should identify the elected species as well as "a listing of all claims
readable thereon" (emphasis added). Applicant therefore believes that the claims readable on
elected species include claims 38-67, 70-77, and 79-94. Applicant requests that the Examiner
please call the undersigned if he disagrees with this assessment.

Applicant reserves the right to introduce claims limited to the non-elected species in a
counterpart patent application.

Application No.: 10/759,807

CONCLUSION

In view of the above, Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

If any fees are due in connection with the filing this Response to Restriction Requirement, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. DSI1P001).
